POETRY

We went back to Maine,
For the west's wild song, a mighty bay,
With yonder wind and water gay,
And foam from the land and sea.
We left behind the way of his life,
In the lands where the sun rises bright;
And now he's free from care, and strife,
And happy in the land of the white.

Missourian:

From the Atlanta Constitution, Friday, March 18, 1864.
