FROM THE PRESIDENT

All faculty and staff members are reminded that the Annual Meeting/Luncheon of the Gainesville College Foundation will be held on Sunday, January 22, at 12:30 p.m. in the Student Center. I encourage your participation in this event. Please let the Advancement Office know by noon on Friday if you will be able to attend.

A housing survey will be conducted with a selected sample of our students. We are endeavoring to provide the latest information relative to the interest in housing to the developers who are pursuing this objective. The Oakwood City Council opened the possibility further that a housing development will occur when it rezoned the land to the rear of Lanier Tech last Tuesday evening. Please encourage students included in the sample to conscientiously respond to this survey instrument.

Since 1980, the Foundation has sponsored service awards to recognize faculty and staff loyalty. It would like to continue expressing its appreciation to faculty and staff by sponsoring a retirement reception each applicable year. The Foundation will present an appropriate gift to each retiree. A coordinating committee will be formed each spring to plan the reception. The committee will consist of two representatives from each Division /Department/Cost Center having a retiring employee, a representative from the Public Information Office, and a representative from the Foundation. The committee will personalize the event for each honoree. The Foundation will underwrite the cost of the invitations, food, flowers, and miscellaneous items for the reception.

FROM THE DEAN OF THE COLLEGE
