ALUMNI AND TRUSTEES HONORED AT 21st ANNUAL FOUNDATION MEETING

Three men who have been staunch supporters of Gainesville College since its inception and two alumni of the College who have continued to serve the College in numerous and outstanding ways were honored at the 21st Annual Meeting of the Gainesville College Foundation on January 24 at the College.

The Gainesville College Alumni Association honored two former students with its second annual Distinguished Alumnus Award and Distinguished Service Award. Selected from nominations to the Association, the awards are presented each year to recognize alumni and friends of the College who have made significant contributions to the Alumni Association, the College, and the community.

Joseph D. Chipman, Jr., Gainesville, President of The Citizens Bank, received the Distinguished Alumnus Award. Sammy Smith, also of Gainesville, Aide to Congressman Ed Jenkins, received the Distinguished Service Award.

Ralph Cleveland, John L. Cromartie, Sr., and Lloyd Strickland were named Honorary life Trustees by the Foundation Board of Trustees.

Left to right: Doug Dillard, President of the Alumni Association; Sammy Smith, Distinguished Service Award Winner; Sara Bannister, Chairperson of the Recognition Committee; and Joe Chipman, Distinguished Alumnus Award Winner.

Ralph Cleveland of Gainesville was a member of the Gainesville-Hall County Education Task Force which was established in 1964 and worked toward the physical existence of Gainesville College. He served as a Charter Trustee of the

ALUMNI COUNCIL ORGANIZED AND WORKING FOR YOU

The first organizational meeting of the Gainesville College Alumni Council was held on December 1 with 23 alumni and College personnel present.

Doug Dillard, President of the Alumni Association, welcomed the group and introduced College President Foster Watkins who commented on the importance of Alumni and Foundation support. Alumni Officers Sandra Henderson and Ricky Pugh reviewed current alumni programs with the Council and asked members to evaluate each and to make suggestions.

The Alumni Council members were asked to consider the following as possible areas of responsibilities: (1) serve as a liaison between the College and their communities, (2) assist the Admissions Office in recruitment activities, (3) help plan and implement special activities in celebration of the approaching 25th anniversary of the founding of the College, and (4) send newspaper clippings from their area about alumni and prospective students to the Alumni Office.

The Council was enthusiastic about its developing relationship with the College and is ready to assist with alumni activities. If you have any suggestions, call a member of the Council:

COMMUNITY COLLEGES
Where America Goes to College

by Doug Dillard, President
Alumni Association

Gainesville College...what an experience! Where else can you receive a college education yet feel the warmth of family?

Gainesville College...have you ever been in a colder, more windy place where it rains sideways?

Gainesville College...great fried chicken. Where even I ate with a then-aspiring governor who was a peanut farmer. You never know who you'll meet or where they'll go. Remember the Jesters, need I say more for us older (perhaps the word is mature) people. Did you ever visit the Chalet to learn the "social graces" of college life? Who drove the VW on the pond? Who remembers the Circle K hayride that had a very jolting beginning?

Gainesville College...friendships that last a lifetime.

As you can tell, Gainesville College continues to mean a lot to me. Not only am I an alumnus, but my three sisters, Lynn, Kerri, and Dianne, traveled the road from Cornelia to Gainesville.

Think...how many students have been touched by your College, how many lives have been influenced by these students, and how many families have had an opportunity to experience the pleasure of education? Certainly the astounding growth of Gainesville College has proven advantageous to all of Northeast Georgia. Does anyone dare guess the amount of money that has filtered down the economic structure of Northeast Georgia as a direct result of Gainesville College? Stop and think about one facet — employment opportunity. Gainesville College has and always will attract top-flight individuals to teach and administer its programs. Mills, Hatcher, Hermann, Robinson, Taylor, and McGlaun, the list could go on, but you get the picture. These people, and all the others I was and am associated with, give unconditionally not only to the College, but to the community.

I am so proud to be a part of a process that is touching the lives in Northeast Georgia in such a positive and accessible way. I am proud to be a Laker. My experiences at Gainesville College prepared me for the demands of a university education and a successful career and I'm thankful for the opportunity to continue my association with the College. If you're not currently involved, get involved. You will enjoy the benefits of a great institution right at your doorstep.

February is celebrated nation-wide as National Community College Month with this year's theme being "Community Colleges...Where America Goes To College." I think my rambling has amply proven that Gainesville College is where "Northeast Georgia Goes To College" in many, many different ways.

FROM THE PRESIDENT

J. FOSTER WATKINS
President, Gainesville College

Santa Claus had Gainesville College in mind also. It became apparent through media accounts during the holiday season that the College is scheduled to receive funding for its first new building since 1972. That possibility became more real when Governor Harris included funding for the building in his recommendations for the use of supplemental funds available to the 1988 Georgia legislature. His recommendation was endorsed by both houses during the subsequent budgeting process and hopefully will be approved soon.

The new facility primarily will be a Continuing Education/Public Service Building which will also include a teaching theatre, supporting classroom space for speech and drama, and a small art gallery. A common lobby which will serve both wings of the facility will be developed as a focal point for bringing friends and supporters, including you alumni, to the College on a regular basis. The availability of the facility will allow the return of the Student Activities Building to its primary use as a place to support "student life on campus" outside the classroom. Our alumni and our currently enrolled students have been more than patient over the years as that space has been increasingly eroded away for other uses.

The inclusion of the funds for the facility in the supplemental budget should speed up the construction process. In anticipation of this funding possibility, the revised plans were delivered to the Regents' Office on Christmas Eve. All is in readiness to bid the project and to get construction underway as soon as the bonds are sold by the state. The two or three month advantage gained through this earlier funding should allow ample time to complete the building before the 25th Anniversary celebration which has been set for November 17, 1989. Dedication of the building will highlight that day's activities.

Please mark this date on your calendar. The Alumni Association through your Executive Committee and, hopefully, many of you will be involved in a number of ways as we plan for that day of celebration. Bill Stephens, your first Alumni Association President, has agreed to serve as "working chairman" for the day. I am sure he will be calling upon a number of you for assistance. Governor Carl Sanders, who was instrumental in the establishment of the College, has agreed to serve as Honorary Chairman. You will be hearing more about the day as the planning unfolds.

I had the opportunity to participate in the first meeting of the Gainesville College Alumni Advisory Council. Twenty-one of an expected 25 members met with Pat McArthy in her role as Director of Alumni Affairs. We were most encouraged by the attendance as well as by the enthusiastic participation of those present. We view the further development of the advisory group as potentially helpful not only to the Alumni Association but to the College also.

Please call on us if we might be of assistance in any way.

Foundation and was reelected for a second three-year term in 1973.

John L. Cromartie, Sr., Gainesville, was elected to the Board of Trustees in 1971 and in 1977. He served as Chairman of the Board in 1978. He served as Honorary Fund Drive Chairman in 1987.

Loyd Strickland, Chestnut Mountain, who was also a member of the Gainesville-Hall County Education Task Force, was elected to the Board of Trustees in 1972. Currently, he is serving as Honorary Endowment Chairman.

The meeting was highlighted by the announcement of the establishment of several new trusts to be administered by the Foundation. These trusts are part of the Foundation’s endowment effort.

Trustee Frank Armstrong recognized Mr. Joe Telford in announcing the establishment of a trust in his honor by the firm of Stewart, Melvin and House.

Louell Roper, Chairman of a coordinating group for the development of the Dean Myers Trust, acknowledged the presence of the Myers family and announced the establishment and continuing development of the Myers Trust, which will support students pursuing teaching and ministerial careers.

The establishment of an anonymous trust for academically talented students desiring to study in the social sciences field was announced by Dr. Herbert Robinson. Dr. Robinson, former Dean of College Relations at the College, had been instrumental in securing the contribution. Following the announcement — and coming as a complete surprise to Dr. Robinson, Chairman Steve Gilliam reported that this trust was being named in his honor for his many years of service to and continuing support of the College.

At the Foundation business meeting, conducted by Retiring Chairman Steve Gilliam, new officers were elected for 1988. They are: Jack Hodge, Chairman; Richard White, Vice Chairman; Bobbie Gay, Secretary-Treasurer. All are Gainesville residents.

Jack Hodge, incoming Chairman and Fund Drive Chairman for 1987, reported on the success of that campaign. He indicated that the original goal of $170,000 had been exceeded by approximately $18,000.

Richard White, Fund Drive Chairman for 1988, announced that the date for the Gainesville College Fundraising Blitz was set for April 21 and that the goal would be $190,000.

The Board acknowledged the support of 14 retiring Trustees. They are: Larry H. Boling, Cumming; Dan H. McNeal, Cleveland; Steve Tilley, Toccoa; L. Wayne Abernathy, Joanne C. Bagwell, J. Dave DeVenny, Steve Gilliam, William R. Lance, Jr., J. Douglas Magnus, Marquita Moore, Thomas C. Mundy, Charles J. Slay, Jr., Warren D. Stribleing, IV., and Lee Waldrip, all of Gainesville.

Gainesville College President J. Foster Watkins announced that the date of the 25th Anniversary celebration will be November 17, 1989. He noted that in addition to the anniversary celebration, the day’s activities would be highlighted by the dedication of the new Continuing Education/Public Service building which should be completed by that time. Former Governor Carl Sanders has agreed to serve as Master of Ceremonies for the Anniversary celebration which will be coordinated by Working Chairman Bill Stephens.

More than 250 trustees, contributors, and faculty, staff, friends, and guests of the College who attended the meeting were entertained by the Gainesville College Jazz Combo.

NEWS BRIEFS

ALUMNI FAMILY SWIM DAY

SUNDAY, MARCH 6
2:00 p.m. — 6:00 p.m.

Sunday, March 6, has been declared Alumni Family Swim Day. Alumni of Gainesville College can bring their family and enjoy an afternoon of mid-winter swimming at no charge. The Alumni Office staff will be available to issue Century Club memberships that would enable alumni to swim regularly. Anyone who has attended the College is eligible for a discount. Grab that swimsuit and join other alumni for a wet afternoon!

The 3rd Annual Alumni & Friends Golf Tournament has been set for Friday, May 20th, at the Chattahoochee Golf Course. Anyone interested in serving on the Tournament Committee should call the Alumni Office at 535-6248.

Rich White, 1988 Annual Fund Drive Chairman, has announced that “A Day For Gainesville College” will be held on April 21. James A. Dunlap will serve as the Honorary Chairman this year. A goal of $190,000 has been set. Last year over 40 alumni participated as volunteers — call the Alumni Office at 535-6248 to join this dedicated group in 1988.

Everyone A Winner At 1987 Homecoming

Over 200 Alumni, friends, faculty, and staff of Gainesville College gathered in October to enjoy a variety of activities including a picnic lunch, entertainment by the Gainesville College Jazz Combo, swimming, and an exciting volleyball game between alumni at The Citizens Bank and First National Bank.

VISA IS COMING... watch your mailbox during March for the first offering of the Gainesville College Alumni Association VISA card. Your participation will provide funds for the Alumni Scholarship Trust Fund. The card is being offered as a joint venture of the Alumni Association and First National Bank.

This 25th Anniversary logo was developed as a coordinated effort of a committee of faculty, staff, alumni, and friends of the College and Sawyer Riley Compton and will be used throughout the Anniversary Celebration.

Rich Kiser, who graduated from Gainesville College in 1981 and is pastor of Calvary Baptist Church, won a gift box of various college items including a Century Club membership and theatre tickets.
On the pages that follow, the results to this point of the most successful fund-raising year in the history of the Gainesville College Foundation are reported. This honor roll of contributors recognizes all donors from whom gifts were received during 1987.

This generosity is both appreciated and gratifying. Such strong support allows Gainesville College to continue with a high degree of success as it reaches to serve emerging Northeast Georgia.

*Former Chairman
Gainesville College Scored “THREE” At Academic Recognition Day

Gainesville College is proud to announce that one current and two former students were honored at the second annual Academic Recognition Day in the Georgia General Assembly. Academic Recognition Day, a University System-sponsored event honoring the top college students in Georgia, was held February 4 in the House and Senate Chambers of the State Capitol.

Leigha S. Westbrook, currently a student at Gainesville College, was recognized for her outstanding academic performance and accomplishments at Gainesville College. Leigha is a sophomore majoring in pre-pharmacy and has a grade point average of 3.9. She is currently employed in a pharmacy, commutes approximately 50 miles daily, and balances the responsibilities of a single parent with her work and academic demands in an effective manner.

The Academic Recognition Day representative for North Georgia College was Margaret Keane Pope of Gainesville. A senior majoring in biology, Margaret completed most of her general education requirements at Gainesville College prior to transferring to North Georgia. She is married to Richard Mark Pope, a 1986 graduate of Gainesville College, who also is continuing his studies at North Georgia.

Academic Recognition Day student Michael Todd Jones from Georgia Tech is a Johnson High School graduate from Oakwood. Michael started his college studies at Gainesville College during the summer after he graduated from high school.

Academic Recognition day honorees are chosen by committees at the 34 System schools on the basis of grade point averages and leadership in other areas. Each school selects one student as a representative of academic excellence.

Colleges presidents accompanied their representative students to a February 3rd dinner at the home of University System Chancellor H. Dean Propest. The following day's schedule of events included recognition in the House of Representatives and the state Senate as well as in meetings with Governor Joe Frank Harris, House Speaker Tom Murphy, and Lieutenant Governor Zell Miller.
