Searching
Each dawn is a beginning
We strive to discover
What we can become
Yet first we must see
The reflections of what we are
A person must be at peace
With himself
Then he can be at peace
With others
Each person must search
His own soul
Searching
Reaching
Finding
... SEARCHING
EACH DAY IS A BEGINNING
WE MUST STRIVE TO
DISCOVER WHAT WE CAN BECOME
Yes, each day is a beginning. We seek to learn about ourselves. We each want to know who we are and what we can become. Each person must set his own goals, grasping today for it passes by but once.
YET WE MUST FIRST SEE THE REFLECTIONS OF
WHAT WE ARE
Me, myself, and I are the three people we think we know the best. We must know and understand ourself and then we can understand others. Each person must search to find his own soul.
A PERSON MUST BE AT PEACE WITH HIMSELF
THEN HE CAN
BE AT PEACE
WITH OTHERS
EACH PERSON MUST SEARCH HIS OWN SOUL
