GAINESVILLE JUNIOR COLLEGE FOUNDATION SUPPORTS THE MANY FACES OF G.J.C.
The Gainesville Junior College Foundation serves the College well in an advisory capacity and in efforts to fund programs that cannot be funded from appropriated public funds. The group has been very helpful in the promotion of athletics, music, chorus, and drama. Members have given unselfishly of their time, talent, and money. The aim of the Foundation is to assume that our college will continue to operate at a higher than average level.

The Board of Trustees are: Jimmy Allan, John Braselton, Tom Bryan, Ralph Cleveland, John Cromartie, James D. Dunlap, Eldo Grogan, Pierce Hancock, N.A. Jacobs, Sam Jones, R.H. McEver, Jack B. McKibben, Jr., J.H. Martin, Milton Martin, James E. Mathis, Hoyt Robinson, James A. Smithson, Furman Stancil, Loyd Strickland, Ed Wayne, Marion W. Stribling.
Like the butterfly, let us stop to enjoy the beauty of our world.
To learn you must ask of others.
Those who answer are the teachers of time.
Let us join worlds.
Let us share friendships.
Let us learn from each other.
Teach us to work and not to count the cost;
To fight and not to heed the wounds . . .

SOCIAL SCIENCE
Sex
AMONG THE INNOCENTS
Text by SAM LEVENSEN
Drawings by WHITNEY DARROW JR.
A refreshing, child's-eye view of sex as interpreted by two popular humorists.

What are sex, anyhow?

"Hey, Ma. How come I'm as plain and you're so fancy?"

"All I want to know is who's the opposite sex—hers or mine?"

"The big difference between men and women is that women dance backwards."

"We come from Genesis just like Vegetables. So that's why they call us carrot bears."

"Sock, Molon. A comment!"

STUDENT CENTER
When you're down and troubled
And you need some love and care,
And nothin', nothin' is going right,
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night.
You just call out my name
And you Know wherever I am,
I'll come running to see you again.

Winter, spring, summer, or fall
All you have to do is call
And I'll be there...
You've got a friend.
If the sky above you
Grows dark and full of clouds
And that ol' north wind begins to blow,
Keep your head together
And call my name out loud,
Soon you'll hear me knocking at your door.

You just call out my name
And you know wherever I am,
I'll come running to see you again.
Winter, spring, summer, or fall
All you have to do is call
And I'll be there, yes, I will . . .

Now ain't it good to know
That you've got a friend
When people can be so cold?
They'll hurt you, and desert you
and take your soul if you let them.
You just call out my name
And you know wherever I am,
I'll come running to see you again.
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will . . .

You've got a friend.
You've got a friend.

Ain't it good to know you've got a friend.

by Carole King
We strive to train in mind and body, Not neglecting the need for competition
To run and struggle
To taste the salty flavor of victory
To rest and recall the day's comradeship
And listen to the silence of tired friends.

We come to GJC ready to be formed into things with definite shape.
By reaching out to include others, our single threads grow into a rainbow encompassing all.
By feeling, trying, being,

We grow until, with sudden recognition, we come face to face with our inner selves.
Reaching out in new directions, we explore many avenues of learning before we finally choose one to be our own.
We strengthen our ties with others by association with those sharing similar beings and interests.
We grow as a group, but more importantly, we grow independently —

each developing and maturing in his own way until he can say

I AM AN INDIVIDUAL
